Ken Hart – True Cascadia Member, Neo-Nazi Podcast Producer, and Violent Domestic Abuser

Posted on September 9, 2018 by Rose City Antifa

Thanks to a combination of tips from local community members and [Unicorn Riot's publication of the "Vibrant Diversity" logs](#), Rose City Antifa has been able to identify yet another neo-Nazi contributor to the Alt-Right fascist cultural insurgency which has been emboldened by the Trump candidacy and presidency. After years of Nazi activity including [a history of involvement with NSM](#), Kenneth Stephen Hart aka [Hand-Bananas](#) spent the past several years living between Vancouver, WA and Lake Oswego, OR while producing and being interviewed on countless Alt-Right and neo-Nazi podcasts. He also engaged in white supremacist organizing with the neo-Nazi "True Cascadia," known for their [obnoxious racist posters](#), doxxed [former members](#), and [snobbish reputation among other regional neo-Nazi groups](#). On top of being a committed neo-Nazi, Hart is also a vicious domestic abuser, and is currently incarcerated after having been convicted on charges of domestic violence against a former partner.

Ken's neo-Nazi Podcast career

During the years leading up to the neo-Nazi Alt-Right movement's appearance in mainstream American consciousness, its architects embraced podcasting as a medium to elaborate and disseminate contemporary versions of fascist and Nazi politics that would resonate with other internet racists and misogynists. In the Vibrant Diversity chat logs, Ken Hart takes credit for producing and contributing to at least six Alt-Right podcasts, several of them affiliated with the popular neo-Nazi website *The Right Stuff* founded by [Mike Peinovich](#) (aka Mike Enoch) in 2012.

The Krypto Report

The Krypto Report is hosted by 51 year old Nazi shit-poster Robert 'Azzmador' Ray. Ray is a frequent Daily Stormer contributor and [acted as his employer Andrew Anglin's mouthpiece](#) at a dimly lit Unite the Right afterparty in Charlottesville. The podcast features interviews with alt-right personalities who have similar genocidal politics and follower counts on the failing social media website GAB.ai. While Ray describes his politics as "GTRWN (gas the k**es, race war now) all the way", he also attempts to present himself as a staid and pragmatic member of the alt-right due to his confidence in the strategic efficacy of electoral politics.

Northwest Imperative

The Northwest Imperative Podcast was dedicated to promoting the popular white nationalist scheme to create a homeland for white people in the Cascadia bio-region of Pacific Northwest. With the exception of an idiosyncratic emphasis on denigrating the urban left in Seattle and Portland, the ideology espoused on the podcast differs little from conventional alt-right white nationalism. It was hosted by someone using the pseudonym Dark Enlightenment and co-hosted by another fascist called [J. Fairwater](#).

Fatherland

Fatherland leans hard into rancid patriarchal topics, with a particular focus on heteronormative family structure and sour anti-semitism. Host Jim Flanders' target audience is the "alt-right dad," with a patronizing tone that attempts to both soften the image of the alt-right father figure while lashing out at marginalized groups for perverting the natural order of patriarchy. Fortunately, YouTube has jettisoned the podcast, although it remains hosted elsewhere on the internet.

Exodus Americanus

[Exodus Americanus](#) purports to be a podcast for "men amongst the ruins" that (echoing the implicitly white nationalist rhetoric of the [Proud Boys](#) hate group) "looks [its listeners] dead in the eye and proclaim[s] that WESTERN CIVILIZATION is the light of the world and needs to be preserved, at all costs." To that end, the show features episodes with titles such as "N***ers All the Way Down," and rants by neo-Nazis such as Christopher Cantwell saying "I'm not even a Hitlerite but I'm like, 'Okay, let's fucking gas the k*kes and have a race war,'" all facilitated by neo-Nazi co-hosts "Roscoe Jones" and "Matty Midwest."

Godcast

Godcast's particular brand of alt-right ideology combines standard political white nationalism with hardline Christian orthodoxy. Unlike the Christian Identity movement's misappropriation of scripture to justify their hateful beliefs, Godcast's racism is more in line with contemporary far-right pseudo-scientific obsessions with IQ and demographics. The hosts Myles Poland, RightWingNut, SuperLutheran and others tediously elaborate far-right interpretations of Christian theology every Sunday afternoon on The Right Stuff.

Intersectional Alt Right

The Intersectional Alt-Right began as a google hangout called Friday Night Alt-Right Fights, hosted by Hart and fellow Vibrant Diversity Discord chat member "D'Marcus Liebowitz." After releasing many hours of freeform rambling, episodes took on the familiar structure of a political comedy podcast. If its politics are distinguished significantly from other fascists podcasts, it's by an excessive confidence that the alt-right will never stop winning. The final episode featured an interview with Richard Spencer.

Affiliation with True Cascadia

[Rose City Antifa](#) and our [regional comrades](#) have had multiple [occasions](#) to write about a white supremacist organization called "True Cascadia," which first appeared in the Pacific Northwest in 2016. True Cascadia has put up white supremacist propaganda and [harassed schoolchildren](#) in Portland.

On June 7, 2017, True Cascadia flyers are found in Southeast Portland.

on June 9, 2017, flyers for The Right Stuff neo-Nazi website with an identical design to True Cascadia's posters are found near the site of an [incident wherein middle-school children were subjected to racist harassment](#). [Posters with True Cascadia branding were also found in the neighborhood](#).

Ken Hart's contributions to the Vibrant Diversity discord logs indicate that he also was affiliated with True Cascadia.

In an interview with the fascist “Red Ice TV” broadcasting platform, members of the white supremacist True Cascadia group calling themselves Cato IX, Jeffrey Fairwater, Herrenvolk, and Paige spoke of arranging outdoor sporting activities as part of their vetting process for new prospects. Here we see Ken Hart referencing “volleyball with cascadia.”

Periodically, neo-Nazi strategic disputes between True Cascadia and [Harold Covington's](#) "Northwest Front" organization emerged, occasionally erupting into public spats on Twitter. Ken Hart's posts in the Vibrant Diversity discord logs indicate that he was cognizant of these issues and that he took the side of True Cascadia.

Twitter users affiliated with True Cascadia argue with Harold Covington, who believed his organization held the only viable strategy to create a white supremacist ethnostate in the Pacific Northwest.

Ken Hart's Domestic Violence

Hart was recently found guilty of Assault in the Second Degree (DV) and Harassment, Death Threats (DV) against his former partner, for which he is currently serving a prison sentence of 13 months.

We are including several heavily redacted sections of the lengthy court documents regarding Ken Hart's grotesque and sadistic domestic violence. Hart's misogynist violence as described entails vicious beatings, strangulation, and Hart forcing his intimate partner to simulate fellatio on a loaded handgun. He also threatened her life on numerous occasions, and the lives of their two kids.

They also engaged in consensual sex later in the night. [Partner] performed oral sex on the defendant, but he became angry with her and started calling her names. Twice during the night, the defendant strangled [Partner]. The defendant first strangled [Partner] with both of his hands and applied pressure to her throat with his thumbs. During the first strangulation, he told that he was going to kill her. The defendant again strangled [Partner] later in the night by placing his forearm across her neck. Intermittently throughout the night, the defendant would enter the master bedroom where [Partner] was laying down and hit and punch her.”

This behavior is all the more appalling, given that Hart listed his occupation in court documents as a substitute teacher for the Kelso District.

Ken Hart's Neo-Nazi Network

Before his incarceration, Ken Hart was an avid contributor to the online and conversational cultural aspects of contemporary Alt-Right and neo-Nazi organizing, but also engaged in offline networking and organizing with what appears to have been a somewhat sizeable group of likeminded regional white supremacist fascists. At one point in the Vibrant Diversity logs, Hart mentions having “two pews-worth” of white supremacist colleagues who regularly attend Mass at a regional Catholic church. Several other fascists affiliated with True Cascadia have already been identified in photographs. Hart’s association with the user “J. Fairwater” is particularly relevant: J. Fairwater, or Jeffrey Fairwater, is [one leader within True Cascadia](#) who maintained a sizeable Twitter presence prior to being banned. Fairwater has yet to be identified by name, but within the Vibrant Diversity logs are posts from [user “J. Fairwater”](#) that include the first unredacted public photographs of him (as well as photographs of his dog, and of him with a woman that is likely his wife/partner).

If you have any information about Kenneth Hart’s local Catholic fascist social circle, Jeffrey Fairwater, or any of the as-yet unnamed members of True Cascadia identified in the photos below, [please contact us](#).
